

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

KENNETH CAPOGRECO,

Plaintiff,

No. CIV S- 00-1951 LKK GGH P

vs.

R. SANDHAM, et al.,

Defendants.

ORDER

This matter was scheduled for a trial confirmation hearing on May 15, 2006 at 11:15 a.m. Plaintiff appeared pro se via video-conferencing. John W. Riches II appeared on behalf of defendants. Because of plaintiff's very recent transfer to CSP-Lancaster, plaintiff has not been reunited with his legal property, requiring that the TRIAL CONFIRMATION HEARING BE CONTINUED UNTIL MAY 30, 2006 AT 11:15 A.M. Counsel for defendants was directed to make certain that plaintiff would not be transferred in the interim and that prison authorities would make plaintiff's legal property available to him as soon as possible and certainly prior to the time of the continued hearing. Counsel was also directed to assure that a file folder of legal material, currently among plaintiff's legal property, but intended for the former co-plaintiff, Jeremiah Johnson, will be conveyed to inmate Johnson forthwith.
